Director's Note

As we conclude Term 3, I would like to take a moment to express my sincerest appreciation to our students and staff for their hard work and dedication throughout the year. It has been an incredible journey, and I am proud of the progress we have made.

Academically, our students in all grades have thrived. They are dedicated and passionate learners with bright futures ahead.

Our students have showcased their talents in various performances, including the End-of-Year Ballet, Music, and Gymnastics Shows. These events not only highlighted their skills but also demonstrated their confidence and teamwork.

I am particularly proud that SIS-Aljada hosted the SABIS® Regional Ballet Festival for the second consecutive year. It was a delight to see schools from across the SABIS® Network in the U.A.E. come together to share their passion for dance. The event was a huge success.

As we head into the summer break, I wish everyone a well-deserved rest and a wonderful break. We look forward to welcoming you back in the new academic year.

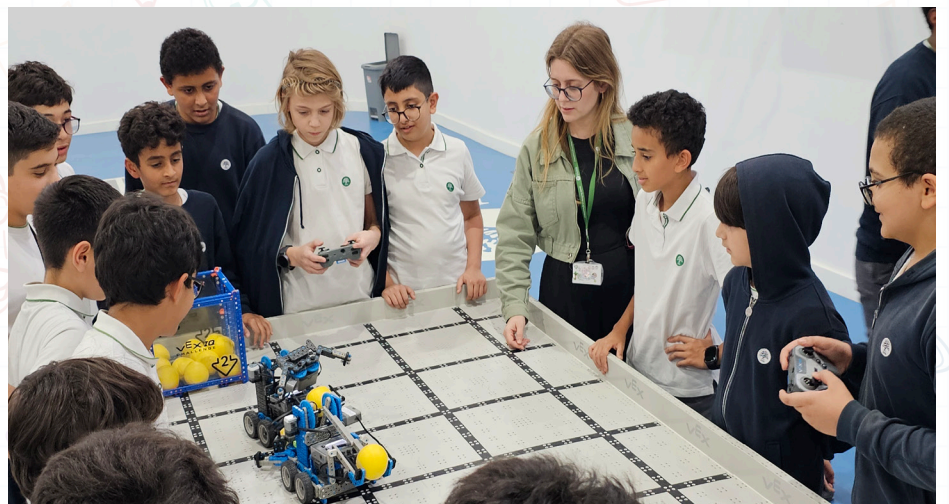

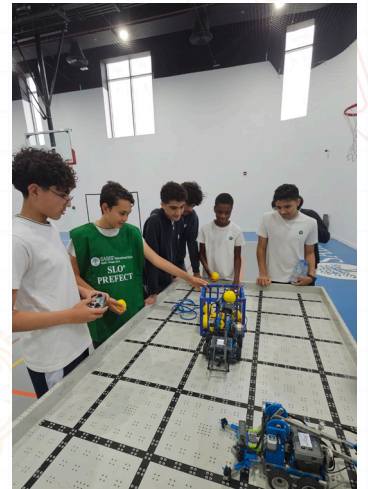

Best regards,

Linda O'Brien
Acting Director

EVENTS

SABIS® Regional Ballet Festival 2025

SIS-Aljada proudly hosted the SABIS® Regional Ballet Festival 2025, where our talented ballerinas lit up the stage alongside incredible dancers from schools in the SABIS® Network. It was a night of grace and passion; a celebration of art, unity and the beauty of movement.

SABIS® Regional Music Festival 2025

Our talented students were shining at the SABIS® Regional Music Festival that took place in Yas Island, joining voices and rhythms with fellow performers from schools across the SABIS® Network. It was an unforgettable celebration of music, unity, and pure talent.

EOY Shows

Our students took the stage in a series of unforgettable end-of-year performances. From the energy of our music shows to the grace of ballet and the strength and coordination displayed in gymnastics, each event showcased the incredible talent, hard work, and dedication of our students. These performances were a true celebration of creativity, teamwork, and growth, leaving us proud and inspired as we wrap up another successful year.

Eid Al Adha

To promote cultural identity, we hosted a special Hajj activity where students learned about the steps of pilgrimage in a fun and interactive way. Through hands-on demonstrations and simple explanations, our students were able to better understand the significance of Hajj and know its spiritual meaning.

Creative Recycled Hats

Our talented students got super creative using recycled materials and made one-of-a-kind creative hats. Who knew sustainability could look this cool?

Earth Day

SIS-Aljada launched a recycling initiative where staff collected plastic bottles, setting a great example for students. Learners explored fun facts about our planet and discussed the importance of protecting it. They were encouraged to make small changes, like avoiding single-use plastics, recycling, and saving energy to help care for our Earth every day.

Business Day Camp

We are so proud of our Grade 10 students who participated in the Business Day Camp competition in Abu Dhabi School of Management. This day was a real-world business simulation that is designed to develop entrepreneurial thinking, strategic decision-making and market analysis skills.

Our students won first place for designing an outstanding business poster, recognized as the most creative entry. They also secured second place for generating the second-highest revenue with their coffee shop project.

Red Carpet Day

Our stars dressed to impress on our very own red carpet! From stylish outfits to joyful smiles, it was a day filled with glam, fun, and unforgettable memories.

Alphabetical Dress-up

Our infant hallways turned into a high-energy runway as the children rocked their letter-inspired outfits in the most fabulous fashion show! They also enjoyed the Show and Tell, where they talked about their outfit and impressed their peers and teachers.

Poetry Night

SIS-Aljada proudly hosted its first Arabic Poetry Night, featuring 18 talented poetry students and two vibrant dance performance groups. The event was a great success, highlighted by the presence of our VIP guest, local poet Mr. Abdullah Al Shehhi, whose inspiring words lit up the evening.

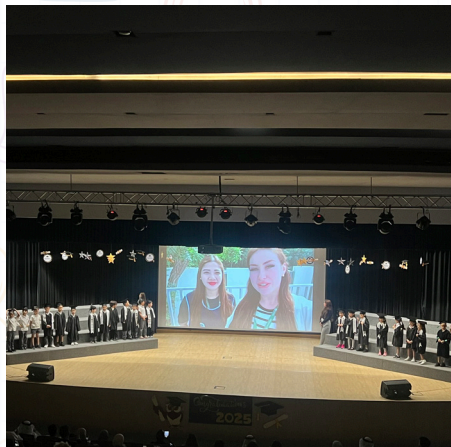

Father's Day

In celebration of Father's Day, SIS-Aljada invited the students and their fathers to a special Movie Day in the school auditorium. It was a wonderful opportunity for fathers and children to spend quality time together, relax, and enjoy a fun movie experience in their second homes.

KG 2 End-of-Year Celebration

SIS-Aljada celebrated our KG 2 students as they prepare to move up to Grade 1. This celebration was a wonderful opportunity to reflect on the growth and accomplishments of our KG 2 students and cheer them on as they take their next big step into Grade 1.
