DIRECTOR'S NOTE

As we reach the end of the academic year, it is a wonderful opportunity to reflect on all that has been accomplished. Throughout the year, our students have embraced new experiences, overcome challenges, and continued to grow as learners and individuals. Their commitment to their studies, positive attitudes, and support for one another have contributed greatly to the vibrant and successful school community we enjoy today.

I would also like to commend all the students and staff who contributed to our wonderful end-of-year performances. The ballet, gymnastics, and music shows showcased the incredible talent, confidence, and commitment of our students and provided a fitting celebration of their achievements.

As we look ahead to next year, we are particularly excited to welcome our very first Grade 12 graduating class, a significant milestone in our school's journey. We look forward to supporting our students as they embark on this important chapter.

On behalf of the entire school community, thank you for a fantastic year. We wish all our students, parents, and staff a relaxing and enjoyable summer break and look forward to welcoming you back for another successful year ahead.
